Everything you need for every insert.

Whether for heating, woodworking or electrical work, this set is a reliable companion for everyday craftsmen. It includes a precision fine-tooth ratchet with 60 teeth, a practical extension for hard-to-reach screw points and an ergonomic, non-slip drive handle for maximum power transmission. The sockets up to size 14 in the most common screw sizes and various bits make this set a real all-rounder on the construction site or in the workshop.

High-quality workmanship.

The tools are forged from high-quality Chrome Alloy Steel, which gives them outstanding stability and resistance to continuous use. They are also chrome-plated for corrosion resistance.

Clearly arranged and within easy reach.

The set comes in a handy soft case. This makes it convenient and space-saving to carry around. The soft inserts are equipped with matching recesses, which allow you to see at a glance whether all tools are present.

Technologies and features.

2-component handle

Our 2-component handle is non-slip and ergonomically designed. It is resistant to the most common oils, greases, fuels, brake fluids, and Skydrol.
